

TALES, LEGENDS & LEGACY

2026

maconcreek.org
beaconartsmichigan.org

United by a shared mission to expand access to the arts, Beacon Arts Michigan and Macon Creek join forces to present Tales, Legends & Legacy, inviting audiences into a world shaped by stories—those we inherit, those we imagine, and those we create together.

THE MYRIAD PROJECT & CHILLY RODRIGUEZ

AUGUST 16

2:00 PM

Through concerts, masterclasses, workshops, and interdisciplinary collaborations, this series explores how music and art carry our histories, illuminate our present, and spark the narratives that will define our future. Together, these events celebrate the power of artistic storytelling—its legends, its legacies, and the new chapters written each time a community gathers to listen, learn, and create. We hope you'll join us!
